An Overview: Hospitality Industry

Hospitality Industry around the World is undergoing an unprecedented level of growth and is one of the world's largest employers. The last decade has paved way for the development of exciting career opportunities in Hotels, Events, Airlines, Theme Parks, Cruise Lines, and Recreation & Leisure activities. Coupled with the growth of the broader service sector worldwide, there has also been a greater need for Multi-Skilled Managers, who are business oriented and customer-focused in areas related to Luxury Services, Retail Management, Service Marketing and Branding as well as Human Resources Management.

A Hospitality Business Education acts as a springboard to a guaranteed and sure fire career within the diverse Tourism, Hospitality and Service sectors. These careers are handled by high-energy people who have developed the skills such as:

- Ability to provide outstanding customer service
- Excellent communication skills including written, verbal, non-verbal and presentation skills
- Ability to work co-operatively with a divergent variety of personality types
- Effective time management, organizing and leadership abilities
- Loyalty with strong work ethics and trustworthiness with team players
